YOUR EXPERIENCE

ABOUT THE SPA

Nature can have a profound effect on our overall well-being. Each element of nature has its own unique healing force that can transform our minds and heal our bodies. Spa at Wind Creek harnesses the power of nature to create curated, personalized wellness experiences. Whether enhancing your beauty, calming your mind, resting your body, or lifting your spirit, your journey at The Spa at Wind Creek allows you to explore a deeper connection with the world around you.

OUR AMENITIES

Whether providing a luxurious prelude to your treatment or a moment of quietude afterward, our spa amenities include luxurious relaxation areas equipped with supremely enriching hot and cold therapies that enhance the effects of your treatments and enrich your overall experience.

LOCKER ROOMS

Our state of the art locker rooms are outfitted with showers, lockers, plush robes, slippers, aromatherapy steam rooms, infrared saunas, and private lounges. Enjoy these areas one hour prior and one hour following your treatments.

SPA LOUNGE

Dip into our Vitality Pools, cool down in the Arctic Ice Room, socialize in the Crystal Beaded Lounge, 'swing' over our Wading Pool, or spend a moment reflecting in the quiet area. Enjoy this beautifully designed communal space before and after your treatment.

INFRARED SAUNA

Infrared saunas use light to create heat. Your body gradually heats up without warming the air around you, making your sweat session more comfortable and tolerable. This lower temperature sauna penetrates up to three inches deeper than a regular sauna, giving you a deep, healthy sweat.

AROMA STEAM

Elements of water and earth create divinely scented heat and steam to relax your muscles and release impurities from your body.

VITALITY POOLS

Immerse yourself in the healing waters of our Vitality Pools. Set at two different temperatures with different strength jets, there is something for everyone. Located within the Spa Lounge, the pools are to be enjoyed as a co-ed, communal experience.**

ARCTIC ICE ROOM

The Arctic Ice Room's goal is to cool your entire body after being heated in the Vitality Pool or the Infrared Sauna. Exposing your body to heat followed by extreme cold increases blood flow, reduces inflammation, promotes overall health and well-being, and even produces a feeling of euphoria. Located within the Spa Lounge, the Arctic Ice Room is to be enjoyed as a co-ed, communal experience.**

WADING POOL

Take a playful moment to dip your toes into this shallow pool. Feel free to climb into one of our swinging chairs for some relaxation and fun. You'll want your camera for this!

**Swimwear Required

FACIAL TREATMENTS

HOLISTIC FACIALS

Known for their aromatics and pure ingredients derived from nature, our innovative holistic facials make your skin look and feel its best.

ELEMIS PRO-COLLAGEN AGE DEFY

\$185 (50 min)

This treatment tackles fine lines and wrinkles, helping to support the cellular structure of your skin. The proven benefits of marine-charged Padina Pavonica (an algae extract) and red coral help plump out fine lines, while Indian mulberry reduces skin fatigue to relax wrinkles. Targeted lymphatic drainage massage re-energizes and rejuvenates, while an age-defying peel-off mask encourages the highest cellular function, visibly improving firmness and elasticity for beautifully nourished, younger-looking skin.

This system delivers powerful exfoliation and renewal for smoother, younger-looking skin, while steam and extractions provide a deep cleansing.

ELEMIS SUPERFOOD PRO-RADIANCE

This is a crafted nutritional boost for stressed, dull skin. Rich in superfoods, trace elements, and essential minerals and vitamins, including magnesium, potassium, zinc, and vitamins A and E, this nutritional army jump-starts tired and exhausted skin. Your skin is left smoother, plumper, and luminously radiant—stress-free and lit up with good health.

ELEMIS SKIN ENERGIZER FOR MEN

MASSAGE THERAPIES

All massages begin with your selection of an aromatic blend that meets your individual needs. Choose from muscle pain, stress relief, pure relaxation, or emotional balance. To receive the most benefits from your massage, communicate with your therapist about your goals, trouble spots, and desired pressure. If you would like to experience your massage with a partner, please request our couples' suite at the time of booking.
